Vandals Strike again at Mizieb Hunting Reserve...

Unknown person/s have once more caused damage at the Mizieb Hunting reserve over the last weekend. This time around the target was the part of the clay-pigeon shooting range which houses the clay-throwing machines.

The Mizieb Hunting Reserve which has been managed by the Federation for Hunting and Conservation – Malta (FKNK) since 1986 is not enclosed, and when the hunting season is closed the area is open to the general public for picnics, barbeques, etc. As always a report has been lodged with the Police.
