Donation to Puttinu Cares...

The Secretary and a Council Member of the Federation for Hunting & Conservation – Malta (FKNK) presented a donation of €2500 to the Puttinu Cares Children's Cancer Support Group, which amount has been collected from some of the Federation's members.

Since the presentation was made at the Rainbow Ward of Mater Dei Hospital, the Activity Coordinator of the Group, Mr. Rennie Zerafa, showed the FKNK officials round the highly sophisticated and adequately equipped ward.
