Dr. Joseph Muscat fl-Laqgħa mal-FKNK...

Delegazzjoni tal-Federazzjoni Kaċċaturi Nassaba Konservazzjonisti kellha laqgħa mal-Mexxej tal-Partit Laburista ġewwa ċ-Ċentru Nazzjonali Laburista fil-Hamrun.

F'din il-laqgħa, li kienet kordjali ħafna, kienu diskussi l-punti kruċjali li qed jaffettwaw negattivament lill-kaċċaturi u nassaba f'dan iż-żmien tant delikat anki minħabba applikazzjoni ħażina tal-benefiċċji li toffri l-istess Direttiva Ewropea li tirregola din in-namra.

Sabiex il-Partit ikun aktar aġġjornat u dan b'mod konsistenti, ġie mifthiem li jkun hemm grupp ta’ ħidma b'rappreżentanti taż-żewġ naħat li permezz tiegħu l-andament tas-suġġett jista' jkun jiġi segwit minn żmien għal żmien dejjem fil-qafas tal-liġijiet Ewropej.

Min-naħa tiegħu, il-Partit Laburista reġa’ tenna li l-ligijiet Ewropej iridu jiġu osservati, iżda li ċ-ċittadini Maltin u Għawdxin, inkluz il-kaċċaturi u n-nassaba, m’għandhomx jiġu ttrattati agħar minn ċittadini oħra Ewropej.

Dan il-grupp ser ikun qed jiltaqa’ anki sabiex il-Federazzjoni tkun, bhal ma dejjem għamlet, f'pożizzjoni sabiex tinforma lill-membri tagħha bil-fehmiet kwalifikati taż-żewġ Partiti ewlenin meta jkun il-waqt.

Dr. Joseph Muscat Meets FKNK…

A delegation from the Federation for Hunting & Conservation – Malta (FKNK) met Labour Party Leader Dr. Joseph Muscat at the Labour Party Headquarters in Hamrun.

The very cordial meeting discussed crucial items that are negatively affecting hunters and trappers in this very delicate period of time, also because of incorrect application of benefits that can be utilised from the 'Birds' EU Directive itself.

It was agreed that in order for the Party to be better adjourned in a consistent manner, a working group with representatives from both sides will be set-up, through which hunting and trapping matters can be monitored, always within the ambit of EU legislation.

From its end, the Labour Party repeated that whilst European laws have to be observed, Maltese and Gozitian citizens, including hunters and trappers, should not be treated worse than other European citizens.

The working group will also be meeting so that the Federation, as it has always done, would be in a position to inform its members with both main political Parties qualified opinions as necessary.
