TWISSIJA

Insegwitu għas-sentenza tal-Qorti tal-Ġustizzja tal-Ewropa tal-10 ta' Settembru 2009, l-Federazzjoni Kaċċaturi Nassaba Konservazzjonisti (FKNK) twissi mingħajr tlaqlieq lill-kaċċaturi u lin-nassaba li, issa aktar minn qatt qabel, hija ser taddotta miżuri ta' ebda tolleranza ma kwalunkwa membru tagħha li jista' jippersisti b'xi atti 'llegali ta' kaċċa. L-FKNK m'hi ser taċċetta xejn li jista' qatt jerġa ipogoġi f'xi periklu t-tradizzjoni Maltija tan-namra soċjo-kulturali tal-kaċċa fir-rebbiegħa. L-FKNK trid ukoll tapella lit-tlett għaqdiet oħra tal-kaċċaturi u n-nassaba biex huma ukoll jaddottaw tali miżuri ta' ebda tolleranza mal-membri tagħhom, u qatt ma jilqaw fi ħdanhom lil xi kaċċatur li jista' jkun ġie imkeċċi minn xi għaqda oħra jew mill-FKNK minħabba li jkun ġie ikkundanat fuq ksur ta' Liġi tal-kaċċa u/jew l-insib.

WARNING

Further to the sentence handed down by the European Court of Justice on the 10th September 2009, the Federation for Hunting & Conservation – Malta (FKNK) firmly warns all hunters and trappers that, now more than ever, it will adopt zero tolerance measures with any of its members who might persist with illegal hunting acts. The FKNK will not put up with anything that might again ever jeopardise the traditional Maltese socio-cultural passion of spring hunting. The FKNK would also like to appeal to the three other hunters and trappers associations that they adopt similar harsh measures with their members, and that they should never accept any hunter as member who may have had his membership revoked by another association or by the Federation for having been convicted of a hunting/trapping related offence.
